PROFESSIONAL SUMMARY

Frontend Developer with 1+ year of professional experience building responsive, production-ready web applications using React.js, JavaScript, Tailwind CSS, HTML5, CSS3, and REST APIs. Experienced in developing admin dashboards, healthcare management systems, reusable UI components, API integrations, and responsive user interfaces. Hands-on knowledge of Node.js, Express.js, MySQL, authentication, and form validation. Proficient in leveraging AI-assisted development tools for efficient development, debugging, and problem-solving.

TECHNICAL SKILLS

- Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, Redux Toolkit, Framer Motion
- Backend: Node.js, Express.js, REST APIs, JWT Authentication
- Database: MySQL, SQL
- Tools: Git, GitHub, VS Code, Postman, Figma
- AI Tools: ChatGPT, Claude, Cursor, Gemini

EXPERIENCE

Excelsior Technologies - Frontend Developer Jul 2025 - Oct 2026

- Developed reusable React.js components and responsive interfaces for production applications.
- Integrated REST APIs and implemented dynamic, data-driven application modules.
- Converted Figma designs into responsive and pixel-accurate interfaces.
- Worked with developers and UI/UX designers to develop, debug, test, and improve features.
- Used AI-assisted tools including ChatGPT, Claude, Cursor, and Gemini for development and debugging.

QSpiders Training Institute - Trainee Frontend Developer Jan2025 - Jun2025

- Built frontend applications using React.js, JavaScript, HTML, CSS, and REST APIs.
- Developed responsive interfaces and reusable components through project-based development.

KEY PROJECTS

Physiotherapy Management Platform (PMP) React.js - TailwindCSS - Node.js - Express.js - MySQL - REST APIs

- Contributed to a production healthcare platform covering patients, therapists, appointments, exercises, services, clinics, and reports.
- Developed role-based modules for Super Admin, Admin, Staff, and Patient.
- Integrated REST APIs for patient management, appointments, therapist slots, services, earnings, and reports.
- Implemented forms, validation, authentication flows, pagination, permissions, and responsive UI.

Suxnix - Supplement E-Commerce Platform React.js

- Built product listing, category filtering, shopping cart, reusable components, and responsive layouts.

ACHIEVEMENTS

Hackathon Winner

- Excelsior AI Hackathon ’26, organized by Excelsior Technologies, Ahmedabad at 08 August 2026

Enhnaced Experience in Hackathon

- I secured 3rd rank in the 24 hour hackathon - 2023 organized by B.H Gardi College Of Engineering & Technology.

EDUCATION

B.H Gardi College Of Engineering & Technology, GTU 2021 - 2025

Bachelor of Engineering - Information Technology
